BRIEF ABSTRACT OF LETTER.

Requests that the contingent grant of the Vaidyasala at Chikmagalur may be raised from Rs 9 to Rs 15 a month.

NOTES AND ORDERS.

For the maintenance of the Vaidyasala at Chikmagalur a grant of Rs 35 a month is being made from the District Funds of Kadur District and the Municipality of Chikmagalur in the proportion of 15:20. Out of this

grant of 35 Rs, the Pandit has to take Rs 20, and a coolie has to be employed on Rs 6, the remaining sum of Rs 9 being made available for medicines.

2. The President's proposal to increase the grant to this Vaidyasala (along with those at Tarikere and Koppa) so as to provide a sum of Rs 15 for medicines was vetoed by Govt in their order no 5076-5/ML(37-08)-2 dated 28th Nov 1908 on the ground that the financial needs of the Kadur District Board and the Chikmagalur Municipal Board were not able to meet any extra expenditure. But the excess expenditure already incurred was however authorised to be admitted in the accounts.

3. The President now reports that owing to some mistake the order of the 28th Nov 1908 was not Communicated to the Vaidya Pandit in charge of the Chikmagalur Vaidyasala and that the excess expenditure on account of the Contingent grant at Rs 15 instead of the sanctioned rate of Rs 9 a month, was incurred till the

receipt of a reference from the Comptroller taking objection to the excess payment.

4 The President adds that the District Boards of the Kadur District and the Municipal Council of Chikmagalur are agreeable to bear the extra charge and that the increase of the contingent grant to Rs 15 is absolutely necessary as the average No. of patients treated amounts to 1,088 a month and as it is impossible to work the Vaidyasala with any advantage to the public with less than an allotment of Rs 15 for contingencies. He requests that sanction may be accorded to the increase with retrospective effect so as to cover all excess expenditure incurred

5. The increase involved by the proposal viz Rs 72 a year has to be distributed between the as follows

Chikmagalur Municipality Rs 41-2-3

Kadur District Board Rs 30-13-9

Total Rs 72-0-0

General and Revenue Departments
Bangalore -

Sir,

I have the honor to state that the contingent allotment of Rs 9/- per mensem originally sanctioned for the Hindu Vidyasala at Chickmagalur under Government order No. 2874-6 / L.F 128 of the 5th February 1902, having been considered both by the District and Municipal Boards as quite insufficient the Boards resolved that an increase of Rs 6/- to the same was quite necessary and accordingly provided for the increase in the District Fund Budget for the year 1905-06 which was sanctioned by Government in their order No. 9086-98 / LB (288-04)-2 of the 1st April 1905

Through inadvertence special reference was however

however not made to Government and their sanction obtained for the above enhancement in the Contingent allotment. Nevertheless payment was made from August 1905 in the year 1905-06 and also in the subsequent year at the enhanced rates on the strength of the provision made therefor in the sanctioned budgets for the above years.

4. In 1907, the municipal and District Boards considered that a further increase of the contingent allotment of the Native Dispensary from Rs 15/- to 25 Rs was necessary and accordingly a recommendation was made to Government in this office letter No 99 of the 14th August 1907 but the Government in their order No 11981 / LB 73-07-1, of the 16th May 1908 declined to sanction the propered increase.

3. Subsequently on another reference relating to the increase of the contingent allotments of the Native Dispensaries at Chikmangalur, Birur and Tarikere, Government in their order No 5074-5 / Mil 37-08-2, dated 28th November 1908 declined to sanction the increase of the allotments

in any of the above Dispensaries (C) and ~
observed that the payment made by the
Chickmagalur Municipal Board at the rate
of Rs 15/ per month on the strength of the
provision made in the sanctioned Budget
was irregular and should not have been made.
On receipt of this order intimation should
at once have been given to the Vice President
of Chickmagalur to reduce the Contingent
charges of the Vaidyasala to Rs 9/- till ~
special sanction of Government was
obtained to its increase to Rs 15/ but
owing to some mistake and misapprehension
of the Government order, I regret to
state that the order was not communicated
to the Chickmagalur Native Pandit for
guidance. The result was that the contingent
charges continued to be incurred at Rs 15/
per month as usual; and the mistake was
found out only on a reference recently
received from the Comptroller taking
objections to the excess payment.

4. On receipt of the Comptrollers
reference, the question was placed before
both the District Board and the Chickmagalur
Municipal

Municipal Board of the 5th February 1910 and 31st January 1910 respectively and both the Boards have agreed in their opinion that Rs 9/- per mensem is quite inadequate for the contingent charges of the Hospital that the increase of the Contingent amount to Rs 15/- is absolutely necessary and that sanction of Government may be obtained for the increase.

5. The native Dispensaries are not supplied with any medicines or drugs from the Government medical stores and the Pandits in charge have to purchase all the drugs and medicine they require from the contingent amount allotted for the Dispensaries. It will be seen from the enclosed statement that the number of patients treated at the Chickmagalur Vaidyasala amounts to 1088 per month on the average: and that the Contingent allowance of Rs 15/- distributed among them works out at 2 pies per head. This cannot certainly be considered as too high a figure and I think it should be impossible to work the

the Hospital with any advantage to the public with less than an allotment of 15Rs even which has been considered inadequate and insufficient by the District and Municipal Boards who had in consequence recommended its increase to Rs 25/- as stated in para 2 above.

6. The increase now recommended from 9Rs to 15Rs involves an increased provision of Rs. 72 per annum which is to be apportioned between the District and Municipal Boards and both the Boards can easily bear this extra charge for which provision is being made annually in the Budget for the past 3 year and they are quite willing to bear this charge in consideration of its absolute necessity.

7. In the above circumstances I request that you will be so good as to obtain sanction for the proposed increase of the contingent allotment from Rs 9/- to 15R such sanction being accorded with retrospective effect so as to cover all expenditure incurred thereon up to date. Extracts from the resolution of the Boards are herewith submitted.

I have the honor to be
